

# WOOD RIVER TIMES

HAILEY, IDAHO.

MONDAY, SEPTEMBER 25, 1882.

## THE LEGISLATIVE APPOINTMENT.

One of the first moves of the representatives of Alturas county in the next Legislature should be a demand for a re-apportionment of the representation. Under the present apportionment Alturas county has but one member in the lower house, and one-half of one member in the upper one, while Ada and Oneida counties, with a smaller population, have four members each in the lower house, and three members between them in the upper house—a representation eight times greater than that of Alturas county. This is a manifest wrong, which should be righted at the first opportunity; and it is to be hoped that our representatives in the Legislature will lose no time, after they get to Boise, in having it done.

## THE LEGISLATURE.

### Apportionment of the Members to the Various Counties.

The Governor of Idaho has issued the usual proclamation, ordering a general election on Tuesday after the first Monday in November next, for one Delegate in Congress, for members of the Legislature, and for all officers required by law to be elected at said general election. Following is the apportionment of the members of the Legislature:

THE COUNCIL.	
Ada County.....	1 member.
Ada and Washington Counties jointly.....	1 member.
Bear Lake County.....	1 member.
Boise County.....	1 member.
Alturas and Boise Counties jointly.....	1 member.
Cassia and Owyhee Counties jointly.....	1 member.
Idaho County.....	1 member.
Lemhi and Custer Counties jointly.....	1 member.
Nez Perce County.....	1 member.
Nez Perce, Shoshone and Kootenai Counties, jointly.....	1 member.
Oneida County.....	2 members.

Total..... 12 members.

THE HOUSE OF REPRESENTATIVES.	
Ada County.....	4 members.
Alturas County.....	1 member.
Bear Lake County.....	2 members.
Boise County.....	2 members.
Cassia County.....	1 member.
Custer County.....	1 member.
Idaho County.....	2 members.
Lemhi County.....	1 member.
Nez Perce County.....	3 members.
Owyhee County.....	4 members.
Shoshone and Kootenai Counties.....	1 member.
Washington County.....	1 member.

Total..... 24 members.

In the two houses, 36 members.

### The Theater to Have a Drop Curtain.

A drop curtain is being made for the Hailey Theater, which is to be painted in oil by a well known artist. The scenery is to be a landscape viewed through a grand archway with mountains, streams and cottages in the background. The perspective is very fine, and the curtain when finished will be fully equal to those used in metropolitan theaters. Mr. Ward has, however, consented to rent a few granite blocks of the great arch for advertisers' use, which will render the landscape more real, as scarcely any such beautiful scenery can be found in the country without being adorned with posters and cards of various well-known business firms.

### Mr. Crowe's Appointment.

The following announcement was received too late for insertion in Saturday's Times: Rev. S. E. Crowe, of the M. E. church, will hold Divine service, in the Bellevue schoolhouse, Sabbath evening, Sept. 24. Services to begin promptly at 7 o'clock. All are invited to attend.

[The Times is anything but intolerant in religious matters; and if announcements do not come in time, they will be inserted when received, as a proof of good will.

### The Delay in Receiving the Kelton Mail.

For over a week past the California and Nevada mail, or that part of it which reaches Wood River via Kelton, has been from three to six days late in getting to Hailey. This has caused considerable annoyance, not to say inconvenience and loss to our business men, and the matter should be investigated. The fault must be with some postmaster between the railway and Hailey.

In slavery days, the chimes of St. Michael's Church, Charleston, were rung at 7 p. m. in winter and 8 in summer as a signal to negroes that their bedtime was nigh, and again an hour later to warn them to disappear from the streets, after which all blacks found abroad were arrested. The custom was continued until a few days ago, though nobody has obeyed the bells since the war. The Mayor has now put off the salary of the ringers, and the act is exciting considerable discussion among the old residents.

## NEW TO-DAY.

### Application for Patent.
